# WHAT IS THE MAD MUSEUM?

## BRIEF HISTORY

The MAD Museum was first launched on Sheep Street in March 2012 by local entrepreneur, Richard Simmons. Having always been passionate about this particular type of art, he wanted to make this lifelong dream a reality before he retired. The MAD Museum is now managed by Richard's son, Iain Simmons and his nephew, Mike Abbotts. There are 4 full-time and 9 part-time members of staff whom all work together to keep this museum running smoothly.

In October 2013 this family-run business made the decision to re-locate from Sheep Street to Henley Street. Not only did this mean a larger, more accessible premises, it gave the museum a more central location.

## DESCRIPTION

The Mechanical Art & Design Museum, or 'MAD Museum' for short, and is the UK's only permanent venue for mechanical art.

There are around 70 pieces of mechanical art on display, specifically called Kinetic Art and Automata. Think Heath Robinson mixed with Wallace and Gromit and Scrapheap Challenge. These hands-on exhibits all display creative inventiveness, clever design and physics principals.

# FREQUENTLY ASKED QUESTIONS

## **How long do visits to the museum usually take?**

Trips usually last 1 hour and 30 minutes.

## **Can you take photos and is filming allowed?**

Yes, you can take as many photos and videos as you wish.

## **Is there an area where we can cut a birthday cake and sing happy birthday?**

We are sorry to say we don't have an area in which you can cut and eat cake or have a private celebration - the space we have is filled with exhibits. We advise that you do this at a local cafe or restaurant.

## **Do you have toilet facilities and baby changing facilities?**

The museum does have toilets. We also have baby changing facilities in the museum's disabled toilet.

## **Is there somewhere to leave coats and bags?**

When your group arrives, we will store away everyone's coats and bags. Teachers are welcome to put their belongings in our locked kitchen.

## **Do you have wheelchair access?**

We have wheelchair access throughout the museum. Find out more on page 20.

## **Does The MAD Museum cater for special needs?**

Our members of staff are experienced in caring for a broad spectrum of abilities. Find out more on page 19.

## **Can we eat in the museum?**

I'm afraid no food or drink is permitted in the museum. We don't have any in-house facilities but the museum is based right in the heart of the town, so there are plenty of places to eat and drink close by. Weather permitting(!), it's a 5-minute walk from The MAD Museum to a nice picnic area next to the River Avon and the Royal Shakespeare Company.

# SPECIAL EDUCATIONAL NEEDS

The MAD Museum is multi-sensory and hands-on. We encourage our visitors to press buttons and interact with tactile objects. Within this venue are a wide variety of sounds, lights, movements and colours on display. These all work together to provide an exciting, multi-sensory experience.

The museum also helps with the development of social communication, cognitive skills and visual memory.

We installed MAD Marbles, which is essentially a giant wall on which we ask people to construct their own marble runs using inspiration from around the museum. This activity encourages the exploration of personal creativity, teamwork and understanding through what is principally a rather fun, tactile game.

This independent museum is relatively small meaning those with emotional and behavioural difficulties have the space to move around the museum freely while also never being out of sight.

Our members of staff are experienced in caring across a broad spectrum of abilities and learning needs. We want you to have the best possible experience so please let us know how we can help.

With regards to pre-planned group visits, we can tailor their experience at The MAD Museum to their particular needs. Planning visits, resources and risk assessment documentation is available on request.

# ACCESSIBILITY

## **Location**

The museum is located on the first floor, above Lakeland and between Toni & Guy and The Cornish Bakery on Henley Street. It is based on the opposite end of Henley Street from Shakespeare's Birthplace and Windsor Street Car Park and Coach Drop off.

## **Wheelchair Access**

Please refer to following accessibility sections for further information. To summarise, there is wheelchair access throughout this attraction. We have lift facilities at the museum's entrance, disabled toilets and extra reading material if required. There are no restrictions with regards to interacting with the exhibits. All assistance dogs are welcome.

## **Accessibility at The Museum's Entrance**

The MAD Museum's entrance is well lit and there are no steps in this area. Visitors can either use the staircase or utilize the lift to access the museum.

The lift can be found at the far wall of the museum's entrance (white lift door with a silver, pull handle). The lift carries one wheelchair user/ push chair at a time. There is a clear audio announcement in the lift and the buttons are labelled with braille text. The lift will bring the user out into the museum's shop and reception area.

## **Accessibility in the Museum**

Visitors enter the museum on the left of the reception desk and exit through the gate on the right (facing the desk). The museum is situated entirely on one floor; no ramps or steps are present in the museum. Everyone can move through the museum at their own pace and spend as long as they wish in any particular area.

## **Environment**

There is a good contrast between the floor (light grey) and walls (navy blue) in the museum. Clear surfaces such as glass and plastic casing have contrasting markings on them. Clear signage (colour contrasted, large lettering and pictograms) are used throughout the attraction. No natural light is present, spot lights illuminate everything throughout the museum. There are several seats dotted around the museum at appropriate intervals and the museum's cinema room also has seating.
